To: All Participants and Visitors,

Welcome to the 2017 Chilhowie Community Apple Festival. We are excited about this year's events, which include our annual parade, arts and crafts and agriculture exhibits, flower show, craft, commercial and food vendors, pet show, and children's and youth activities. This year’s festival theme, “Celebrating the Spirit of Community” reminds us that this festival has its roots and its future in the co-operative efforts of the entire community: the festival committee, the Town of Chilhowie, the local businesses, the school system, community organizations, and the numerous volunteers. The success of the festival is a celebration of their combined efforts to provide an enjoyable experience for all those who attend either as a participant or as a visitor.

We hope that you enjoy your time visiting our festival and our community. We look forward to seeing you again at the next Chilhowie Community Apple Festival.

Sincerely,

Chilhowie Community Apple Festival Beginnings

History of the Festival

The Chilhowie Community Apple Festival had its beginning on a dreary rainy night in March of 1953. A group of young men got together for the purpose of discussing the possibilities of improving our town. During the evening, they decided to organize the Chilhowie Junior Chamber of Commerce. This organization received its charter on April 21, 1953.

During the spring of the same year, some of these members visited the Apple Blossom Festival in Winchester, Virginia. They returned to Chilhowie and suggested that they stage a festival and pay tribute to the apple, rather than the blossom. This would be most appropriate since Chilhowie was the second largest apple producing center in Virginia for which Bonham Brothers and Duncan Orchards were the producers. Thus, plans and ideas developed for the beginning of the Chilhowie Apple Festival. The first festival was held on October 2, 1953 on the grounds of the Old Chilhowie High School. Crowds, far larger than anticipated, attended that year's events. It was estimated that 10,000 persons viewed the first parade!

The Festival continued to grow beyond what one club could manage. Therefore, in 1965, other civic clubs joined in, and the name was changed to the Chilhowie Community Apple Festival. The aspirations of the new board were the same as the original board to strive to have a Festival for which the town and surrounding communities could be proud.

In the 1980s, weather-related crop losses and the deaths of the leaders of the Bonham family combined to cause a decline in the once booming Bonson's Apples business, dealing a blow to the apple industry in Chilhowie. The Duncan Orchard continued for several years more, but closed earlier this century.

The event was, and has continued to be, family and community oriented with activities for everyone. Over the years, various forms of entertainment have been a part of the Festival. They have included skydiving exhibitions; performances by professional square dancers, cloggers and musical entertainers; a Model T car comedy; motorcycle rider show; and pony and horse shows. Past events scheduled for participation by the public were: tractor driving contests, talent shows, square dances, baby shows, sock hops, street dances, Kids Day activities, and barbecued chicken suppers. Regular events, occurring during each Festival, are the beauty pageant, agricultural and crafts fair, pet show, parade, and high school band competition.

The funds raised by the Apple Festival Committee are used to pay for worthwhile projects which benefit the community. The Festival has made monetary contributions to the Town, schools, and community. Contributions have been made to band directors for band trips and uniforms, to Project Graduation, to schools for the purchase of equipment, to Chilhowie Elementary for Williamsburg trips, to the Old High School Renovations Committee for many renovations, and to fire and rescue squads. The Festival shared the cost with the Town for the stage at the community Park and for the street Christmas lights. Prior to each year's Festival, the committee purchases and decorates the Town with fall corn, gourds, pumpkins, mums, and flags. Santa Claus, Christmas treats, and community lighted Christmas trees were a Festival-sponsored tradition for over 20 years.

As soon as one Festival ends, the committee begins planning for the next year.

Since I earned the title of Miss Apple Festival 2016, I have accomplished many goals. In May, I was graduated from high school in the top ten percent of my class with a GPA of 4.25. Shortly after graduation, I began college courses that continued throughout the summer. My plans are to major in education and become a teacher. In preparation for this goal, I am working with children. I recently started teaching Sunday school classes at my church and helping with many church activities. In addition to my work at the church, I have also been volunteering at the library and helping with the summer reading programs. This past year has been amazing and has flown by. It has been an honor to hold the title of Miss Apple Festival, and I am very excited to pass the crown to another deserving young lady.
